*Trumbull High School
Trumbull, Nebraska
Class of 1966*

Dedication

We, the Seniors of 1965, wish to dedicate this year's annual to the citizens of this community and to the school which they have provided us with. These two factors have been effective in giving every student greater opportunities for learning so that he will be better prepared to go forward into the future. Without the strong patronage which these citizens have given us it would be impossible to have this fine school and the facilities which it provides. We sincerely wish to extend a token of appreciation to those individuals who have so unselfishly given their time and efforts to the interests and advancements of TRUMBULL HIGH SCHOOL.

Our Town and School

Arthur McDowell, Jerry Arnold, Ray Phelps, Demet Harmon, Paul O'Donnell, Bob McWhirter

President - - - - - Demet Harmon

Vice President - - - - - Arthur McDowell

Secretary - - - - - Paul O'Donnell

Treasurer - - - - - Jerry Arnold

The school board members of Trumbull Public School are men striving for the betterment of Education, our school and community. These men not only work hard to keep an efficient running school, but they also take part in all the extracurricular activities of the school. The past year the board members took the responsibility of selling tickets for the home football games. During the basketball season, school board member Art McDowell took care of the time clock. Jerry Arnold substituted for Art, while Art had a brief illness. The other members of the board are always present at the games and offer one hundred percent support for victory.

For all of these hours of work we would like to take this opportunity to thank these men and the community for the education they have given us. We sincerely hope that we can live up to the faith that you have invested in us.
